CAUSE

On September 30, 2007, Ms. Longo was cited for Driving Under The Influence (DUI), in violation of RCW 46.61.502, by Spokane Police Department. Ms. Longo made her first Court appearance on the above violation on October 1, 2007. At which time, the Court directed her to not operate a motor vehicle while under the influence and to report immediately to Second Watch Monitoring Center to be placed on a SCRAM unit. This device is attached to Ms. Longo's ankle and detects any alcohol Ms. Longo may consume. In addition, Ms. Longo has begun substance abuse treatment, which she had completed in the past. All of the above sanctions imposed by the District Court are at Ms. Longo's own expense.

The undersigned officer believes the above sanctions imposed by the District Court are sufficient to mitigate Ms. Longo's risk to herself as well as the community. However, Ms. Longo does not have a prohibition for alcohol consumption in her conditions of supervised release. Modifying Ms. Longo's conditions to prohibit alcohol consumption would assist in supervision efforts to confirm she remain sober and not at risk for future alcohol

violations. The probation office would respectfully recommend Ms. Longo's conditions of supervised release be modified to include a prohibition against alcohol use. Ms. Longo has been advised the Court would be notified and is in agreement with the requested modification.

I declare under penalty of perjury that the foregoing is true and correct.
